

## *A Checklist to Get You Started*

This list is a continuation of the series of 42 lists of furniture, fixtures and decorative items for household inventory purposes. Use this list to start a checklist for your household inventory (see our Emergency Planning Checklist). Don't overlook your specialty holiday items!

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
